MINUTE ENTRY

The Court has received and reviewed Respondent's Motion Re: TASC Testing filed on April 30, 2012. Respondent's Motion notes the Court's order requiring that both parties continue to test at TASC for alcohol at least twice monthly on a random schedule until such time as the parties have received 8 consecutive negative tests. That order was incorporated into the parties' decree signed by the Court on December 15, 2011. Respondent alleges that Petitioner has failed to comply with the Court's order.

Because of the number of motions filed by Respondent (most of which have been frivolous), Petitioner has been directed by the Court not to file a written response unless ordered to do so by the Court. Consequently, Petitioner/Mother has not yet responded to this motion.

IT IS ORDERED directing Petitioner/Mother to file a written response to Respondent/Father's Motion Re: TASC Testing no later than **July 6, 2012**. Upon receipt of a response and any reply, the Court will determine whether further argument is necessary or a ruling will be issued based on the memoranda of the parties.

Respondent has also filed a Motion to Cancel Respondent's TASC/Drug/Alcohol Testing (filed May 2, 2012); for the reasons noted above, no response has been filed. For the reasons noted,

IT IS ORDERED directing Petitioner/Mother to file a written response to Respondent/Father's Motion to Cancel no later than **July 6, 2012** and the Court will consider whether further hearings are appropriate.
